President's Message

It seems that it was just yesterday when I began my most recent term as President of our Club. Two years have passed quickly and I am pleased with the continued success of our club, it's members and our events. Many have worked hard on behalf of the club and I thank them on behalf of all members for a job well done.

In this issue you will find an election ballot for the National Executive, a vote for a new Life Member and a ballot for the approval of a series of constitutional amendments proposed by the Board of Directors.

Many of these changes will facilitate electronic voting on CSTC business in the future as well as making our newsletter available to members on-line.

Best wishes to all in the New Year and once again continued success to all members and please do not forget to vote!!!!

Richard Paquette
President

Why own a dog? There's a danger you know,
You can't own just one, for the craving will grow.
There's no doubt they're addictive, wherein lies the danger.
While living with lots, you'll grow poorer and stranger.
One dog is no trouble, and two are so funny.
The third one is easy; the fourth one's a honey.
The fifth one is delightful; the sixth one's a breeze,
You find you can live with a houseful with ease.
So how 'bout another? Would you really dare?
They're really quite easy but oh, Lord the hair!
With dogs on the sofa and dogs on the bed,
And crates in the kitchen, it's no bother you said.
They're really no trouble their manners are great.
What's one more dog and just one more crate?
The sofa is hairy; the windows are crusty,
The floor is all footprints, the furniture all dusty.
The housekeeping suffers, but what do you care?
Who minds a few nose prints and a little more hair?
So let's keep a puppy, you can always find room,
And a little more time for the dust cloth and broom.
There's hardly a limit to the dogs you can add,
The thought of a cutback sure makes you sad.
Each one is so special, so useful, so funny,
The vet, the food bill grows larger, you owe money,
Your folks never visit; few friends come to stay,
Except other dog folks, who live all the same way.
Your lawn has now died, and your shrubs are dead too,
But your weekends are busy, your off with your crew.
