President's Message

I want to thank and congratulate the members of the Central Ontario Branch for the awesome booth they had at the Purina National on March 11-13. The well decorated display was impressive and educational. They won honorable mention in the Best Overall Booth category. Thanks to everyone who participated especially Sarah Paquette for organizing it and the following for helping to man the booth all weekend Kelly and Taylor Perecki (pictured), Brad Paquin-Keslick (pictured), and Bette Maxwell.

Our club will be having two Specialties this summer. The National will be held on the weekend of August 5-7, 2011 in Alberta, sponsored by the Alberta Branch and we will have a Regional Specialty on the weekend of August 11-14 in Winnipeg, sponsored by the Central Canada Branch. Please get out and support the Specialties and enjoy the fun and camaraderie of mingling with fellow members from across the country.

Our Rescue Committee, headed by Wendy Graves, has been active and helped facilitate the rescue of two wayward Shih Tzu puppies caught up in a dispute between two individuals. Our club also donated \$500 to the BC SPCA who helped with the rescue. It is sad to hear of such occurrences where live animals are used as pawns and subjected to such unwarranted treatment. SHAME!!!!!!

Good luck to all members at the coming shows and trials.

Secretary's Desk

Motion # 2011-003 by Deborah Love, Seconded by Wendy Anderson.

"That the CSTC Rescue Committee send a \$500.00 voucher to the Victoria SPCA in appreciation for the care and placement of two pups."

Background:

Recently 2 young puppies were flown from Kamloops back to their breeder on Vancouver Island. The breeder on the island refused to pick up the puppies so the Victoria SPCA picked them up. The puppies were inoculated, spayed and adopted out.

SADLY MISSED
WENDY, RICHARD & JODY PAQUETTE WENRICK SHIH TZU

Woody with Jody in Mexico

Every breeder's dream is to produce and own a Top Winning Dog. We have been fortunate to have had several in our almost 40 years of Shih Tzu breeding. Not since "Chase", "Can Am Ch Wenrick's Chassen Rainbows" have we produced a dog who combines a winning record in the show ring and stamps his attributes on his children in a dominant and consistent fashion. That dog is "Woody" BIS BISS AM CAN MEX POL LUX ITL WORLD INT CHAMPION Wenrick's Hollywood Hit who is one of the most internationally titled Shih Tzu in the world.

In Canada "Woody" finished his Canadian and American Championships easily and went on to win multi Best In Shows and Specialty shows. He travelled to the World show in Mexico in 1999 with daughter Jody and became a Mexican Champion and Champion of the Americas as well as winning two Group 1sts in strong International competition. "Woody" continued to have an impressive presence on the International Shih Tzu scene the following year. In early June 2000 he won an Award Of Merit at the prestigious American Shih Tzu Club National Specialty in St. Louis, Missouri. Later in the month he was Best Of Breed at the 2000 World Show in Milan, Italy with an entry of 133 Shih Tzu. We left him in Europe for the remainder of 2000 with fellow breeder Pasquali Romanelli of Italy and he indeed made us proud. He was the Group Winner at the European Dog Show in Poznan, Poland in October with an entry of 983 dogs in the Group. He was a Best In Show and Specialty Winner as well as # 1 Shih Tzu in Italy.

As All Breed Best In Show Winner and Specialty winner on both continents "Woody" continued his success in North America by winning an additional Best In Show in 2001. He travelled to the American Shih Tzu Club National Specialty in Orlando, Florida in June of 2001 and won another Award Of Merit.

Woody and Wendy

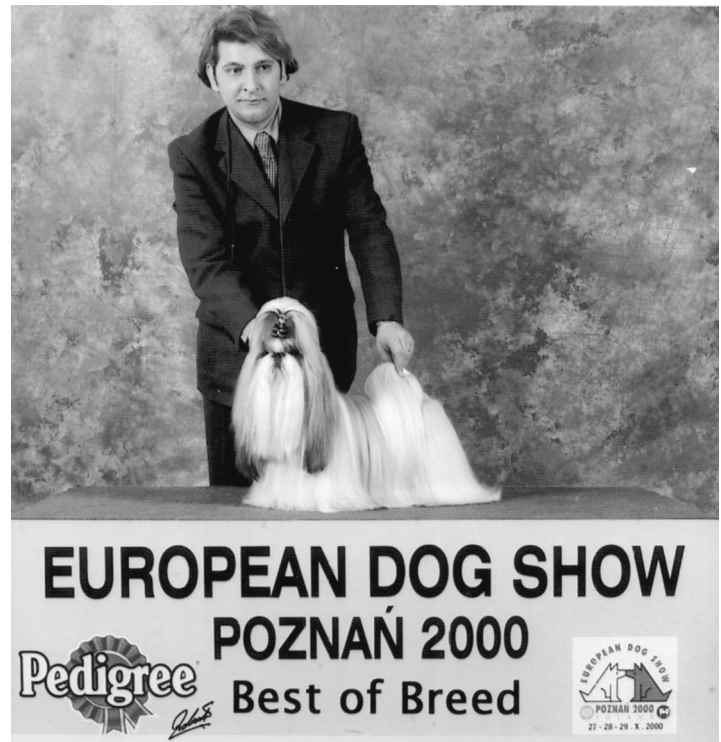

Woody with Pasquali in Europe

As a producer “Woody” has sired some exciting children including Internationally the winner of Best Of Breed at the 2001 World Show held in Porto, Portugal, Can Am Ch Wenrick’s Hollywood Traveller.

Another one of his sons is “Billie” Am Can Braz Pan BIS Ch Wenrick’s Hollywood Sequel who was a multi BIS and # 1 dog in Brazil and is now in Sweden continuing his show career.

Most recently “Roman” BIS BISS Am Can Ch Chantilly’s Romance At Wenrick is a multi Best In Show and Specialty winner currently being shown in Thailand.

Not to be out done is “Emmy” BISS Am Can Ch Winterholme’s Hollywood Award bred by Wendy Andreson (Winterholme Shih Tzu) and Wendy Paquette. “Emmy” came to stardom by winning Best of Winners, owner handled at the 2005 ASTC National and has continued her winning ways with an Award Of Merit at the 2006 Westminster Kennel Club Show with handler Mandy Carlson.

“Woody” has been the Top Producing Stud Dog in America for 2004 and 2005 and is continued to have an impact on the breeding programs of dogs from around the World.....

Thank you to everyone for your support and especially those who have shown Woody kids to their Championships.

A special thank you to Jenny McClintock for showing Woody in Canada.

This once in a lifetime dog lived out his life as a great house pet loved by all.

We will miss him!!!!!!
